THE PROLOGUE

As we close this high school chapter in our book of life and prepare to turn the page to a new and different period, let us pause as our thoughts revert to that recently completed and colorful chapter. Our years at Naugy High have been among the happiest in our lives. They will not soon be forgotten. The friendships and joys we have shared will loom high among our fondest memories. May The Greyhound help to preserve them.

We the Class of 1954 look forward to the future with all the confidence of youth. Fearlessly and eagerly we turn the page.

THE DEDICATION

It is with a sincere feeling of gratitude and with heartfelt appreciation that we the Class of 1954 proudly dedicate our classbook, The Greyhound, to Mrs. Mary Penrose.

Always ready to assist in our exciting and varied activities, she has revealed to us her creative and artistic personality.

During our four years, Mrs. Penrose has most generously shared with us her talents as both teacher and artist. May she continue to impart these gifts for many years to come.

Raymond K. Foley -

THE GREYHOUND

TO THE CLASS OF 1954:

It affords me sincere pleasure and profound satisfaction, to extend to each member of your class the congratulations of our entire faculty. Each teacher joins with me in the wish that the future will provide happiness, success and good fortune for every graduate of 1954.

Your four brief years, as students in Naugatuck High School, have passed very quickly. You are now prepared to continue your lives in the kind of America you want—a country that is free, peaceful and prosperous—the kind of America which your fore-fathers built and handed down to you. This building was not done by men of little faith, but rather by men of courage who had confidence in themselves.

It now depends on you—and other young Americans—to have the courage and strength to keep your world as you want it to be. Do not be afraid of the future. Have faith—be optimistic—and remember that no one has yet profited by selling America short.

Your opportunities for self-expression and leadership are limitless. I am certain that all of your aspirations can be realized and that all of your dreams can come into existence.

I am grateful to each graduate for cooperation throughout your high school years. May God bless you, forever.

RAYMOND K. FOLEY.

THE GREYHOUND

CLASS OF 1954

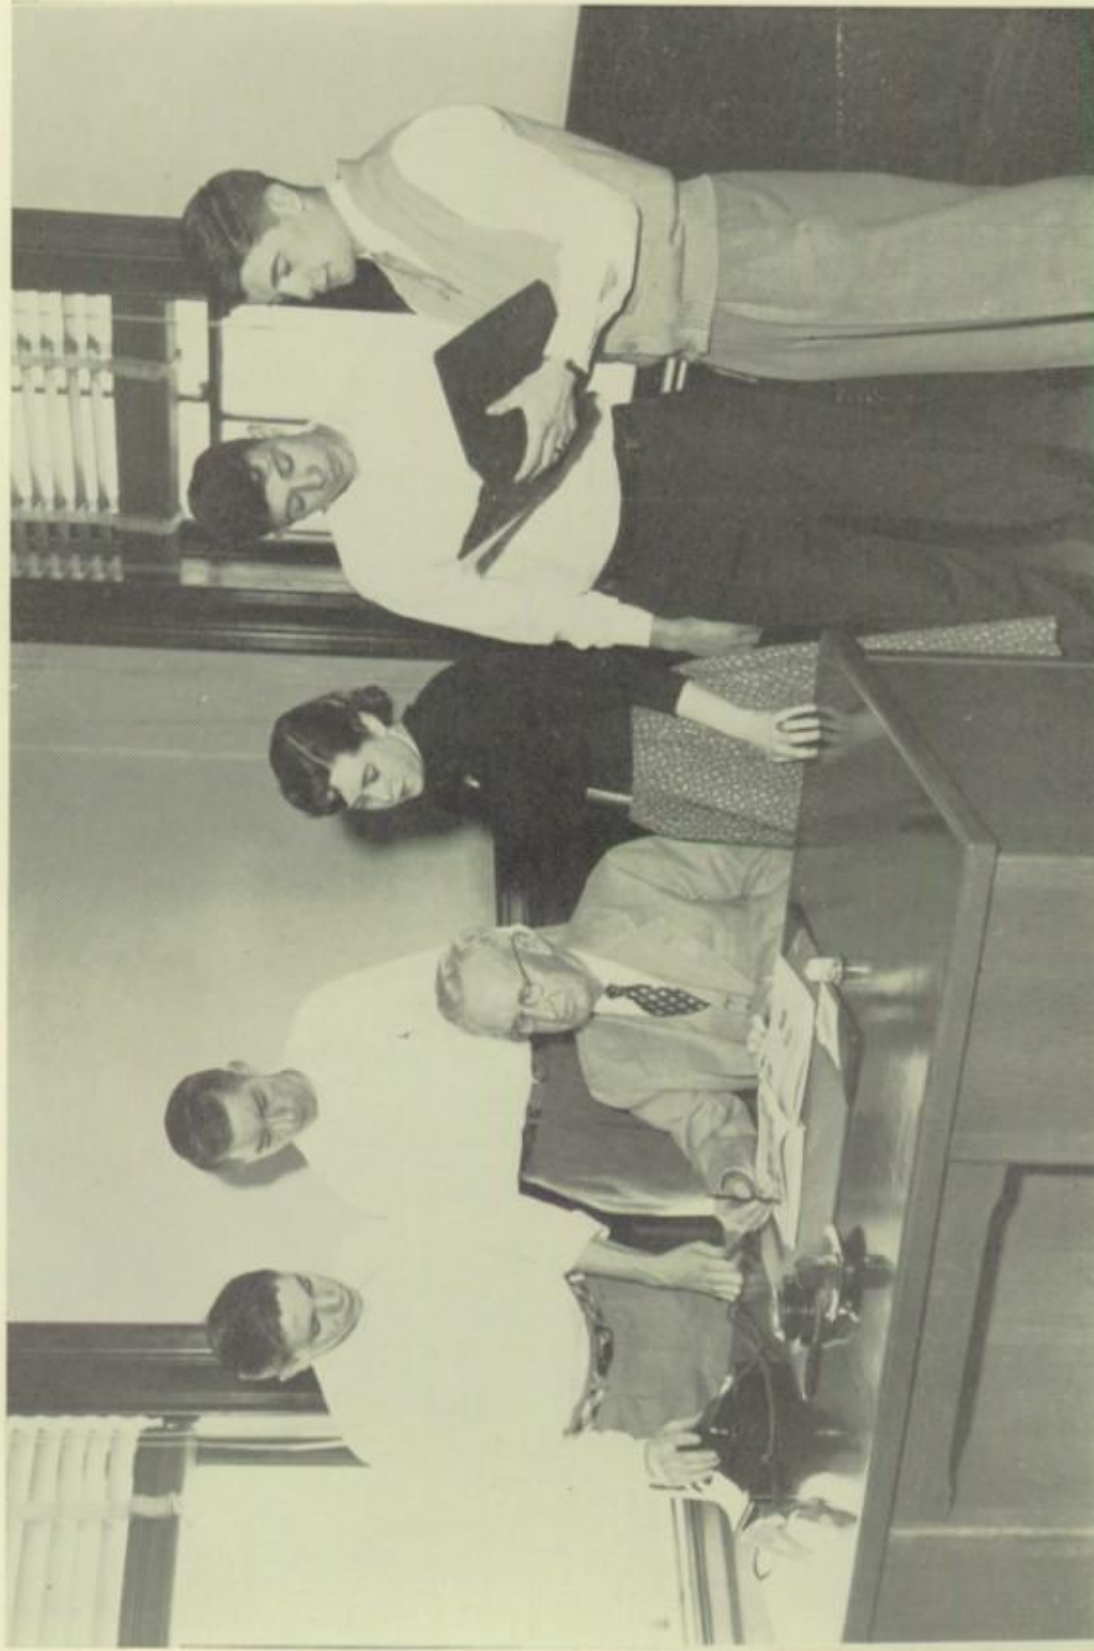

It is always a pleasure and a privilege to extend felicitations to the graduates through the medium of the annual class book. Our High School here in Naugatuck has a splendid record of thirty years of successive books of which we may well be proud. Throughout this period of the school's history these have served as a source of information concerning the graduating classes as well as a life long record and history to each and every graduate. As I write what is probably my last message for these books it is with the hope that this tradition may be continued as one of the many outstanding achievements of the Naugatuck High School.

And now to the members of the Class of 1954 may I express my sincere congratulations for all that you have accomplished thus far and my best wishes for whatever may be before you in this new age.

It has been a pleasure to work with you since your kindergarten days and I am certain that I can speak for all concerned with education in this Borough when I express the wish that the future may be bright for you and that success may crown your efforts. I shall watch your progress with the same degree of interest I have had for your predecessors, and now au revoir but not good-bye.

H. E. CHITTENDEN

MR. CHITTENDEN AND THE BOARD

THE GREYHOUND

FAREWELL TO MR. CHITTENDEN

We Seniors have come to regard Mr. Chittenden as more than a Superintendent, because since our youthful days in kindergarten we have known him as our friend. He was with us at our first milestone in grammar school, when he presented us with our diplomas. Later, we read his warm and sincere words of counsel in our older brothers' and sisters' Class Books.

And now he is writing his last monograph in his official capacity in The Greyhound. Parting is always sweet sorrow. We too are reaching the end of our High School days, as he is bringing to a close his academic years of activity as our Superintendent.

Mr. Chittenden, we wish you many well deserved years of health and happiness and contentment. We are genuinely glad that you remained to graduate with the Class of 1954!

When Naugatuck High staged its first annual Talent Revue in 1950 it was due to the efforts of Mr. Berkowitz, our band and orchestra director. He and his trumpet were always to be found, leading the band at every football game. Though we miss his musical talent, we wish him success in the future.

MR. THOMAS DICKSON

As our Industrial Arts instructor, Mr. Dickson was always willing to help in our activities and especially in printing tickets for our myriad social affairs. Though his tenure at Naugatuck High School was brief, we remember his gentlemanly, responsive personality.

MISS ELEANOR M. WELLES

June 19, 1953

In September 1953, we regretfully learned that Miss Welles had retired. During thirty years of teaching Latin, she revealed not only a thorough knowledge of her subject but that wisdom and kindness which made her far superior to the ordinary teacher. Her friendliness and ready smile endeared her to those who studied under her. May she have happiness ad infinitum in the years to come.

THE GREYHOUND

THE EDITORIAL

Classmates, as we proceed to assume a new task, the task of leading our glorious country out of these tumultuous, worldly troubles which beset it, the path will be no super-highway. As we struggle along, Communism will be nipping at our heels, ever trying to veer our course. Eternal vigilance must be ours in dealing with these murderous men who do not even believe in God!

Education today has reached the highest standard in history. In as much as highly qualified men and women instruct us, we study the texts of the expert minds among our professional people. Every method is approached to broaden our outlook on life. All of these objectives are aimed at a thing called success, which should be our success. Today's educators realize the horrendous danger in the world today and sincerely urge us to choose a vocation not lightly but after due deliberation if we would succeed at it. They are wary of the fact that floundering, discontented people are vulnerable to corruption and tyranny.

Now some of us may ask, "What is success?" Success is a very intangible thing. It is defined as the gaining of wealth and position; good fortune, favorable results; wished for ending. Take your choice. I personally prefer the last because it includes the personal element of striving for a goal.

Many of us will never achieve our childhood dreams but success may be reached in many other ways. How about the feeling of personal satisfaction when we cast our first vote? Many of our boys will step from N. H. S. into the uniform of Uncle Sam's armed services. How about the personal pride that will be ours, knowing that we stand ready to protect our family, our town of Naugatuck and our country if the need should arise.

I am convinced that in our first seventeen years, the need for God's guidance has been manifest to all of us. Without God's help you and I are nothing. The need for reassuring sceptics of our dependance on the Almighty has been recognized by our president who recently initiated a "Back-to-God movement."

As the pendulum of fortune starts to swing toward us, the leaders of tomorrow, we must gird ourselves for the battle. The heritage and traditions of the grandest country in the world will be ours but so will the gigantic responsibilities. We cannot realize the adjustment that faces us but the feat must and will be accomplished.

May God bless each of us. May we find accomplishment, contentment and gratification in the course of our adult lives.

T. B.

THE FOOTBALL SQUAD

THE GREYHOUND

FOOTBALL

Emerging from frequent defeats in the last few years, the Naugatuck High School Greyhounds come back courageously to record one of its best seasons in a long time. A four-four record may not seem tremendous but for N. H. S. it was a great one. The spark and spirit was not only provided by the team but by our coach, Raymond Legenza.

Under his guidance we took the field that warm September night and proceeded to give Wilby one of its worst beatings in many years. The crowd which witnessed the slaughter (sometimes called a contest) was never in doubt as to who was the master. Naugy was paced by Capt. Dick Tuckey, Steven Martin, who perhaps played the best game in his high school career added to this was some stellar line work by Kevin Daly and Wade Holland, as our boys went on to win by a lopsided score of 49-0.

The second game was a replica of the first, both home games, both night games and both trouncings. This time it was a 37-0 rout of Torrington, a team which was supposed to be a contender for the Legenzamen. However, the hard charging wall of Naugy deserved the credit. Budgie Gabrielson and Bill Brewer, two underclassmen, did a man sized job by breaking up plays and making some fierce tackles.

With Naugy's machine running smoothly, we met a powerful Derby team. This game, which was a reversal of the first two, was a bitter battle all the way. After the dust had cleared, the decisive play was a blocked pass by Kevin Daly, caught by Ralph Tripp and a race for the goal which netted 65 yards for a T. D. The all important extra point was provided by Dick Tuckey with a plunge through the center. Final Score—Naugy 7 - Derby 6.

Rated 7th in the state, we next faced Crosby, regarded likewise among the Top Ten.

In the first half, we started slowly not seeming able to get rolling. Crosby, taking advantage of our lax playing, scored two touchdowns to take a 14-0 lead at half time. At the second half, a fighting, spirited bunch of determined ball players trotted out on the field. After Kevin Daly tackled a Crosbyite in the end zone for a safety, Naugy began a drive of 97 yards in which we scored. But the obstacle was too great for us to overcome. The Garnet and Grey bowed in defeat to the tune of 14-9.

A stubborn Leavenworth team was next on the agenda. Trailing by 7 points we fought back in true Greyhound fashion, subduing the Red and White by a score of 23-7.

Up to this time we were riding smoothly on a 4-1 record having amassed 125 points to our opposition's 27. Then the roof fell in as we met our down valley rival, Shelton. After a scoreless half, Shelton rolled up 28 points. It marked the first time

THE GREYHOUND

during the season that Naugatuck has failed to score. Again we were plagued by a down valley team, our neighbor, Seymour. When Capt. Tuckey hurt his ankle early in the game, we were left with no offensive. This, plus some bad breaks of an intercepted pass and a missed punt, resulted in our downfall. However, Tony Wrobel was magnificent in defeat.

Thanksgiving Day and Ansonia loomed on the horizon. A nipping and an eager air braced us for the fray. The kick off followed up by a touchdown completely stunned us. Even a Don Doiron pass to Ray Marinko for a T. D. could not stop Ansonia. Our star fullback Lou Farrar perhaps played his best game, his last for the Garnet and Grey.

We landed in 3rd place in the Valley. It was something to be proud of and likewise we had four members of our team selected on the All-Valley Team. Three were from the celebrated class of '54', and captains all! Dick Tuckey, Captain of Football—Wade Holland, Captain of Swimming and Kevin Daly, Captain of Basketball.

MANUEL OLIVERIA.

THE CLASS POEM

The time has come to say good-bye,
As we depart from Naugatuck High;
The way through life is mighty long,
But we are youth—ambitious, strong.

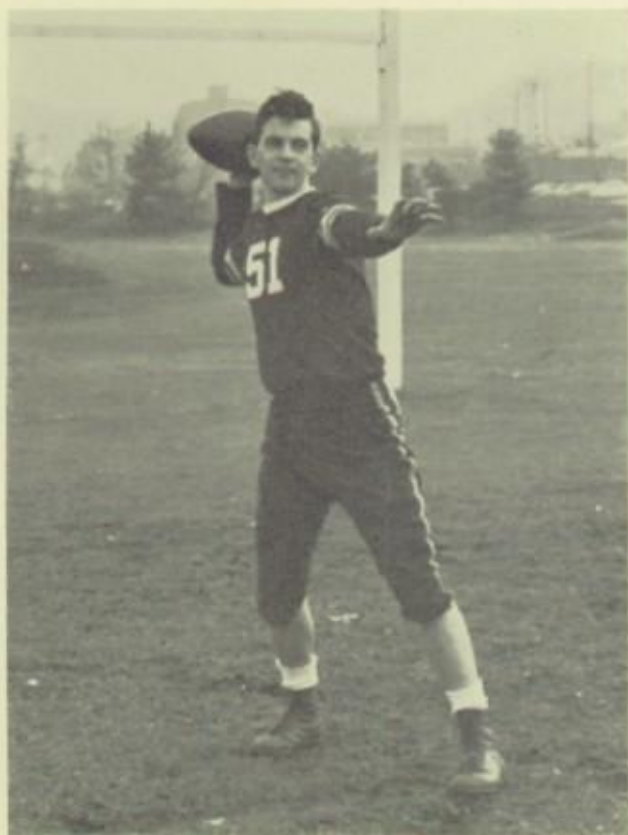

We seek what all desire—success,
The well trod road to happiness;
We'll struggle on with eager feet,
Proclaiming victory—not defeat.

Let no ambition be too great,
To test our power—conquer fate;
Let loyalty color all we do;
To God and to ourselves be true.

Success comes not at our command;
Deserve it—try to understand;
And to the world may we add lore;
Long life to the class of '54.

JUDY FOLEY

THE GREYHOUND
SENIOR LETTERMEN

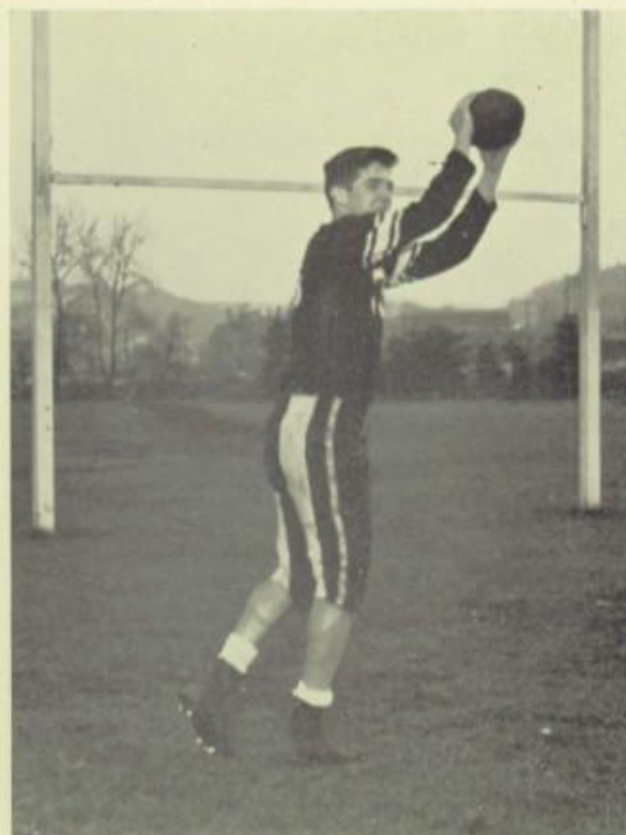

KEVIN DALY

At his best when on the gridiron, Kevin, with his vicious, crushing tackle, plus his glue-like fingers on offensive, made his opponents think twice when it came to stopping him. Selection on the All-Valley Team ended for Kev a perfect season.

LOU FARRAR

Lou, small but mighty, was a menace to the burly tackles of our opponents. Louie stole the limelight in the Turkey day classic with his rushes at Ansonia's defensive wall.

ROGER BRENNAN

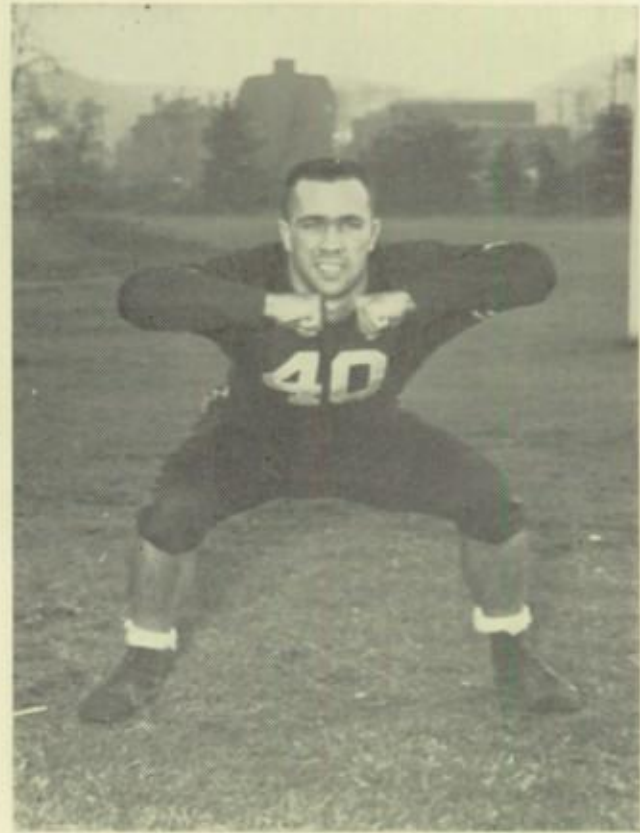

Roger was the team's field general, always capable of giving us that play for the extra yardage. His Irish smile was always present in victory or defeat.

THE GREYHOUND

STAN GESSECK

One of the heavier men on the Naugy line, Stan was worth his weight in footballs. Although a rookie, he shone like an old pro.

WADE HOLLAND

Wade saw quite a bit of the opposing teams backfield. His untiring efforts on defense merited his selection to the All-Valley Team.

DAN LAMBRIDIES

Although an injury hampered Dan in the pre season practice, he was ready for the opening game. A true Greyhound, when the spirit was low, he was still in there giving his everlasting spark.

THE GREYHOUND

BILL LEE

Although inexperienced at the beginning of the season, his willingness to learn found him ready for the opening game. Opponents ran at Big Bill with their eyes closed.

STEVE MARTIN

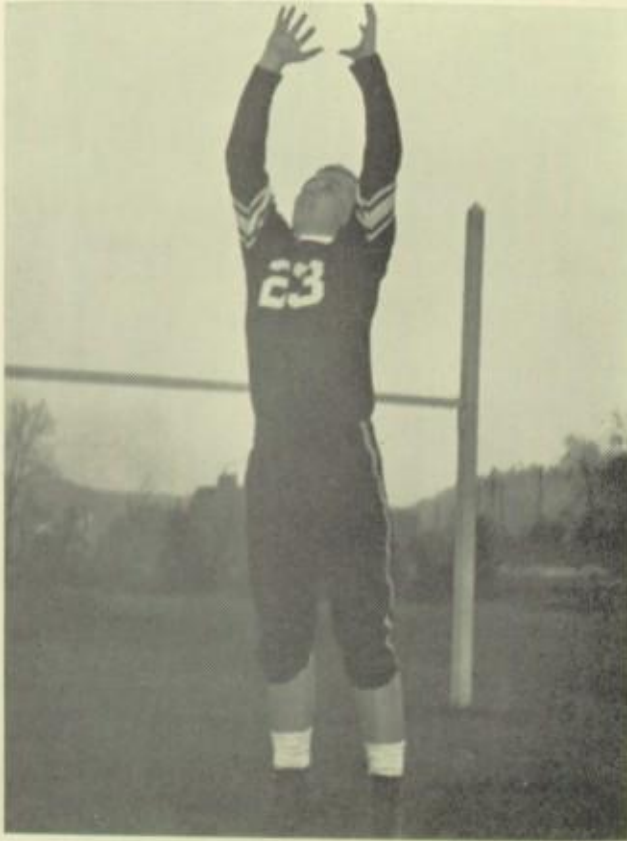

The punt returns of the best conditioned player on the team were something to see. When a mistake was made Steve was ready to come back. He was outstanding in the Wilby game.

CHRIS SHEEDY

Reliable Chris was always there when needed. He saw most service at the center position and did a great job. His importance to the team was unparalleled.

THE GREYHOUND

RALPH TRIPP

Ralph excelled on both offense and defense. His Herculean efforts to subdue a determined Derby team will be especially remembered.

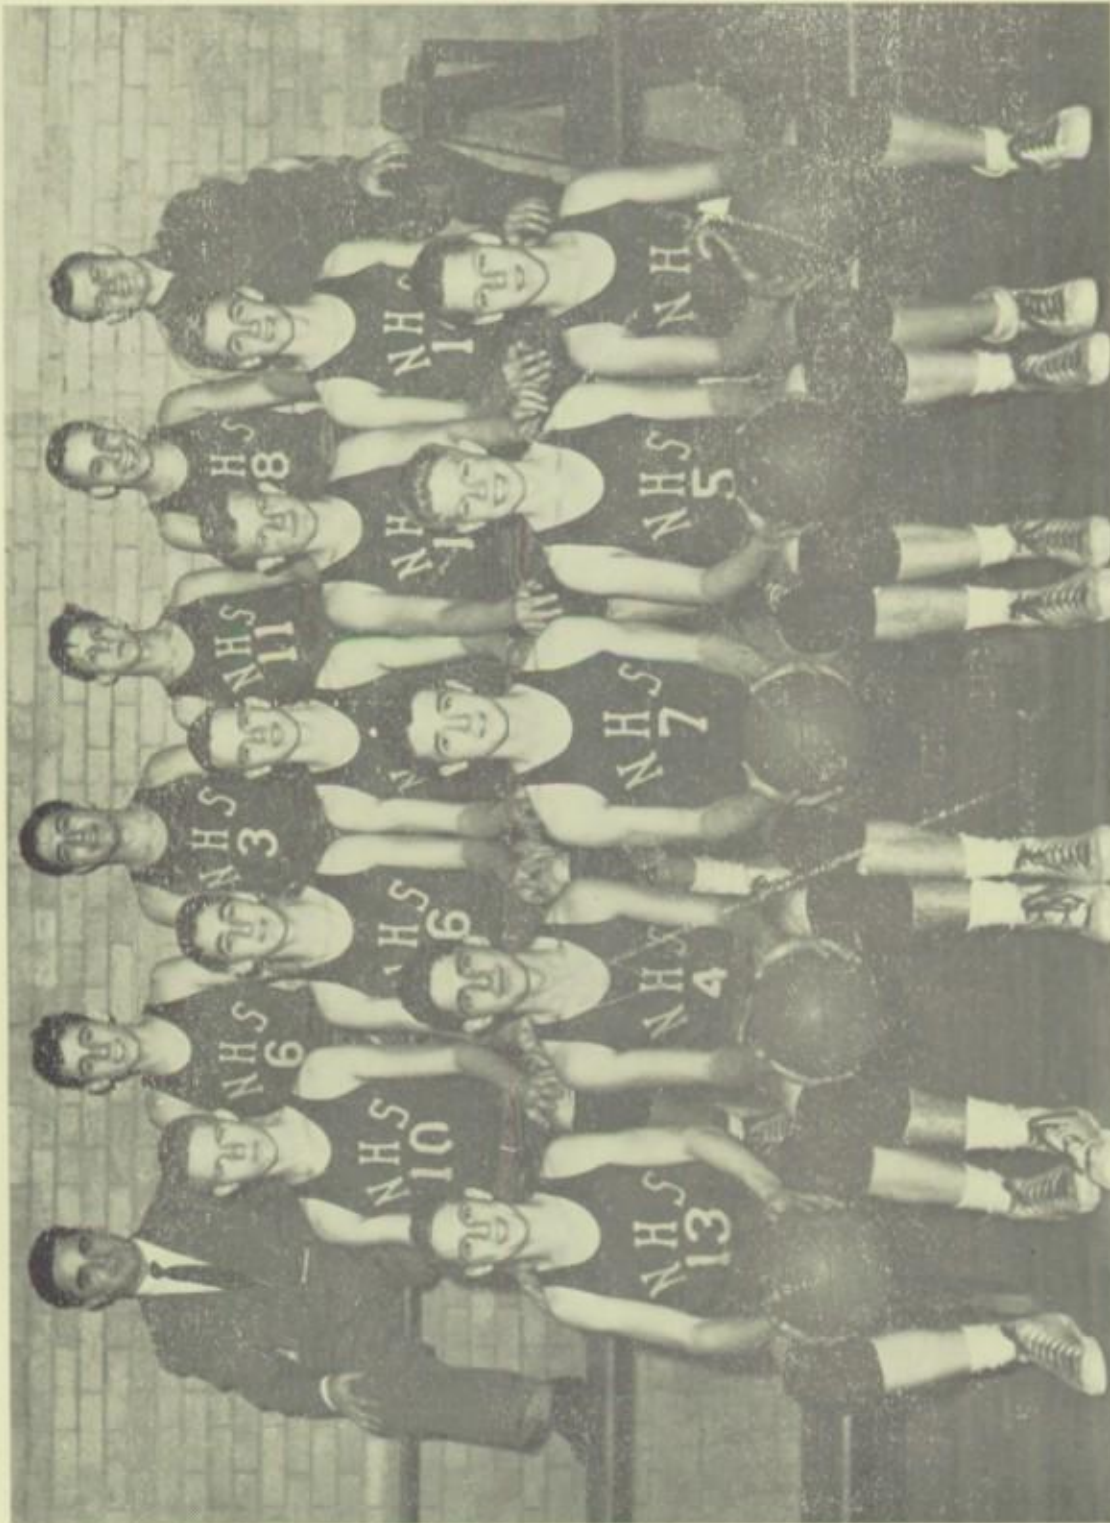

DICK TUCKEY

There could never have been a better captain. He was superior in every phase of the game. Of all the honors his selection on the All-State team was tops.

TONY WROBEL

A thundering crash, a Tony tackle! This man was the best defensive player on the Greyhounds.

THE BASKETBALL SQUAD

THE GREYHOUND

BASKETBALL WRITE-UP

Trinity Parish 42-46

Naugy's own Greyhounds, with our new mentor, Ed Mariano, at the helm, showed their shooting ability by downing a determined Trinity Parish of New Haven with a 46-42 score. The Greyhound Quintet dominated the play till the final minutes when they seemed to relax their defensive play. At this point the seniors proved their value to the Naugatuck hoop machine. Their cool play helped the Marianomen to go on to a victory in their first start.

Seymour 61-54

The Garnet suffered their first setback of the season at the hands of the Wildcats from Seymour. This was not an easily won victory for Seymour, because the scrappy Greyhounds were fighting all the way for a victory over their newly found foe. The score was tied both at the half and at the third period but personal fouls proved fatal, as our two high scorers, Larry Terra and Captain Kevin Daly, were lost on 5 personals each. Seymour capitalizing on this offset went on to a seemingly easy victory in the waning minutes.

Fairfield Prep 35-53

Notable for height and scoring ability, Fairfield Prep invaded the Y and decisively beat the N. H. S. combine by a 53-35 score. Nemesis rode high that night as the Greyhounds lost.

Sacred Heart 60-43

Naugy traveled to Waterbury where they played their first game of the season on the Armory floor. The nervous tension of the Greyhounds had a great bearing on the final outset of the game. With Dick Colby paving the way, Sacred Heart got off to a fast start which Naugy was never able to overcome. The second and third periods were tight, but Larry Terra and Kevin Daly excelled for the Borough team by cutting the cords for double figures.

Alumni 38-47

In the traditional Christmas vacation game, the confident Grads who were led by Vin Healy were knocked off their pedestal by a flashy Naugy 5. It took more than the book learning of the Alumni to defeat the Varsity! With Coach Mariano's men relying on the fast break, our high school team was never jeopardized by the height of the Alumni. The coach substituted freely proving his confidence in his team. Naugy's leading scorer, Larry Terra, had another night as he collected points. Not to be denied, Captain Daly also hit for points.

Ansonia 48-43

Two perennial foes met when Naugatuck and Ansonia clashed in their Valley League game. It was Ansonia over the Garnet by a 48-43 score with Sam Olenchec doing most of the damage, scoring 22 points and controlling both boards. Matching basket for basket, the experience at the foul line proved the one loophole in the Garnet attack, as the Lavendar from down the Valley pulled slowly ahead. Larry Terra kept us in the game by scoring from the outside and with Kevin Daly doing most of the driving, the Greyhounds were contenders till the concluding seconds of the well played contest. Every boy played commendably in this classic but the reserve strength and the rebounding ability of Ansonia were just too much. Captain Kevin Daly and Larry Terra were the two shining lights for the Greyhounds.

THE GREYHOUND

BASKETBALL INDIVIDUALS

KEVIN DALY—Captain Kev, a three-letter man, made basketball his best. On the floor, Kevin kept the Greyhounds in control all the way. His spirit throughout the season could be matched by none!

LARRY TERRA—Dago was the high scorer on the team, hitting double figures practically in every game. Larry, for a small man, continually out-jumped many of his taller opponents. Placement on the All-Valley team ended for Larry a perfect season.

THE GREYHOUND

Fairfield Prep 55-45

The N. H. S. Basketeers completely astonished all the partisans at the Knights of Columbus Hall in Bridgeport. They just missed beating the powerful Prep 5. It was a rough tussle with the Garnet committing 23 personal fouls which proved their Waterloo for they outscored the Fairfielders from the floor 17 to 16. In the previous encounter the Fairfielders walloped Naugy 52-34 but this time Pep was lucky to walk off the floor victorious. Ray Marinko, our elongated center, led all scorers by hitting 10 times from the floor for 20 points, while Terra popped in 10.

Ansonia 56-60

The Copper City was the scene of a hectic basketball game when Naugatuck defeated its arch rival, Ansonia by a 60-56 score in an overtime period. The spirit displayed by the Marianomen could not be bested by either the clock or the home forces of the Lavendar. It was a nip and tuck battle, for the score was tied any number of times. Kevin Daly was the big gun for the Garnet for his moment of glory didn't come once but twice.

Ansonia was leading our boys by two points when Kev sank a basket to tie and then put us ahead with another quick tally. But at this point Jack Ahern, who incidentally scored 16 points, dribbled the length of the court and put in a hook shot to send the game into overtime. With the score 54-54 the play was of high caliber and when Naugy and Ansonia exchanged basket for basket, possession of the ball was the important factor. Captain Daly sent his 16th point rippling through the net and then put his 18th point in to climax one of the best games of the season. The honor of beating the Lavendar on their home court comes to few teams and the Greyhounds were a proud group of boys that night. With the rebounding of Ray Marinko and the shooting of Larry Terra and Captain Kevin Daly, the Garnet was unbeatable.

Milford

The Quintet from the shore line town of Milford invaded the Y and were beaten in one of the most crucial games of the season. Avenging their previous loss to the Indians, the Garnet had to make a second half recovery to overcome an early splurge of points garnered in the opening minutes of play by Milford. The outside shooting of Larry Terra and the rebounding of Ray Marinko were the important factors in the Naugy attack. With Milford leading in the opening minutes, Coach Mariano sent in Charlie Doyle, a sophomore, who promptly sparked the team and aided the cause by scoring 16 points. He was easily the high man in the game.

Crosby 46-38

The Old Ivy and the Greyhounds clashed on the Armory floor with the Crosbyites coming off the victor. Naugatuck's defeat was due to the height of the opposing quintet. Man for man, Crosby had the taller players but lacked the fight and spirit displayed by the flashy Naugy 5. The Rubber Towners were never more than 4 points away from a deadlock. Again it was an underclassman who did the burden of the work, for Roy Stinson a sophomore, scored 18 points and was responsible for many baskets. He along with his teammates played their hearts out. The height factor proved costly. Though they did not win, they succeeded in putting a scare into the Naugatuck Valley leaders.

THE GREYHOUND

Wilby 47-59

To prove that the previous victory over the Wildcats was not won by just a fortunate break, the fired-up Greyhounds completely humbled Wilby by a 59-47 score. With Roy Stinson and Kevin Daly accounting for more than half the team's total, scoring 18 and 14 points respectively, the Garnet lead was never jeopardized by the boys from the Grove Street school. Naugy jumped off to a fast start by scoring 12 points before Wilby even scored a point. The quarter ended with our boys leading by a comfortable margin of 15 to 3. With Coach Mariano employing a man for man defense, Wilby was helpless while the Naugy lads seemed to score at will. The fast stepping Greyhounds took one more step toward the State Tournament. The question of the moment was—"Would they be able to upset one of their remaining foes?" Our boys played that night as though they would.

Sacred Heart 55-44

The N. H. S. combine opened the game with a quick flurry of points and built up a 10 point lead by the climax of the second quarter. Sacred Heart came back in the third and final periods to just nip our boys out of a victory. Both teams needed this game while the Boroughites just missed upsetting the East Enders from Waterbury. Tension mounted as the game grew tighter and tighter toward the closing minutes of play. Then Ray Marinko, our lanky center, fouled out while checking the Hearts' star, Dick Colby.

At this point they broke the game wide open and won for themselves their tourney birth. Larry Terra again headed the scoring column by notching 17 points which was high for the game. The young Naugy team now had to play the powerful Red Raiders the next night for the final attempt at the coveted victory.

Torrington 52-43

Coach Mariano took his boys to Torrington to meet the Red Raiders. The winner was slated to go to New Haven to the tournament. The Torrington Armory was packed to the rafters to see this crucial contest. A battle of rebounds, the shooting on both sides was off because of the tenseness of the opposing players. Ray Marinko and Roy Stinson led the opening attack and the Rubber Towners quickly built a 10 point lead. The defending N. V. L. champions were frustrated and a very confused aggregation of boys. They continually called time to collect their thoughts. The pace was fast and the two teams walked off the floor with our boys leading by 4 lowly points.

The third quarter opened up fast and furious with both teams matching basket for basket while the Garnet still held their minute lead. With the same 5 men playing the whole game, one could see that our boys were tiring. Coach Donahue's boys pulled slowly ahead and finally won by 9 points when the final buzzer sounded. Two games in two nights were too much for our young basketeters. They played strenuously and consistently but defeat could not be avoided.

Leavenworth 50-52

Meeting the engineers from Leavenworth, the galloping Greyhounds won their third victory of the season and the first in Valley League competition by downing the Tech Tigers 52-50. Employing a pass and cut technique, Naugy got off to a fast start with Roy Mallane leading the offensive. The play was tight, right down to the last whistle but the Boroughites controlled both boards which proved a vital asset. The Greyhounds put on the climaxing touch by freezing the ball with a minute to go and held the Tigers to one lone basket. Roy Mallane was high scorer collecting 13 points, mostly on drive shots, while Terra tallied with 8.

THE GREYHOUND

Milford 55-39

The Milford Indians humbled Naugatuck at the Milford gym collecting a score of 55-39. Naugy could not do much on the strange floor as the man to man defense collapsed owing to the vastness of this court. Milford completely dominated the whole game while Coach Mariano got a good look at some of his bench material in this contest. True-to-form Larry Terra was high man with 12 points and Frank Monahan contributed 8.

Crosby 46-38

The Rubber Towners met a confident Crosby 5 on the armory floor in Waterbury. Our boys showed the spark and fight which made great Naugatuck teams of the past. It was a hard defeat to take, for the Greyhounds played truly fine ball but just didn't get the breaks of the game which are so vital in the sport of basketball. In this game, the pass work on both sides was superb. Naugy trailed all through the game but was never more than five points away from a deadlock.

Crosby was picked to overwhelm our boys but was happy to eke out a victory. In the final seconds, Crosby pulled a fast break and scored while Joe Trapasso iced the contest by sinking a couple of foul shots. Larry Terra had his best night of the season by hooping in 18 points while his teammates played commendably. There was glory in defeat as the Greyhounds put more than one scare in a powerful Crosby combine.

Wilby 48-49

The Garnet temporarily ended the Wilby supremacy knocking off the Grove Streeters 49-48. Roy Stinson, the smallest man on the squad, played the key role in this game. It was a see-saw battle all the way till the concluding seconds showing on the clock. At this point Roy Stinson drove in for a shot and was fouled by Joe Silva, Wilby's star center. Pandemonium broke loose from the 1500 spectators as Roy stepped to the line. His first shot rimmed around and out and with all the pressure centered on the young Sophomore, he put the next one clean through the hoop. True to the old Naugy tradition of being calm, cool, and collected, Roy came through in the pinch.

Wilby quickly took the ball down court and Captain Dick Ierardi fired a shot which just missed. Again Stinson took the rebound. The Greyhounds froze the ball for the few remaining seconds as the clock ran out. This was one of Naugy's biggest victories and again it was led by Terra, who scored 15 points with Roy Stinson accounting for 10 markers.

Torrington 67-43

Led by Gerry Alaimo, who scored 26 points, the Torrington Red Raiders racked up the highest total of points against the Garnet for this season, by defeating them 67-43. The Quintet from up the Valley just had too much on the ball for it was practically a score-at-will contest. With Nemesis riding high on her white horse, the Greyhounds were a frustrated group of boys. The one consolation of Coach Mariano was the vibrant play of the underclassmen led by Frank Monahan, who hopped up 8 points.

Leavenworth 41-57

The Garnet stepping off to a 15 to 4 advantage in the first five minutes, completely overwhelmed the Tech Tigers by a 57-41 score. The Greyhounds virtually wiped the stripes right off the snarling tiger. Captain Kevin Daly broke his scoring slump by pumping in 12 points while Ray Marinko, junior center scored 13. Coach Mariano cleared the bench by the final buzzer with all players seeing action. This was Naugatuck's most impressive victory to date. The closest that Tech came to the Borough Quintet's score was six points but the Greyhounds quickly rallied to overpower the Leavenworth team from the Brass City.

THE SWIMMING TEAM

Once again in 1954 the Naugatuck mermen were a team of which Naugy was rightly proud. Under the easy-going but forceful guidance of Coach Alex Gimbo Sullivan, the team achieved an admirable record of seven wins and three losses, ranking second in the Southern Division standings. We were also proud of the Naugy tankers' fourth place showing in the State Championships.

Our 160 yard relay team of Wade Holland, Bob Sawicki, Dave Cronin, and Budge Gabrielson, set a new school record for that event with the sensational time of 1:18.9, in which they broke their own record of 1:19.2 of a few weeks earlier. This relay team also took third place in the State Championships.

The class of '54 was well represented on the squad with six invaluable members, led by Captain Wade Holland, a matchless sprinter and 100 yard breaststroker. Bob Sawicki, our most valuable swimmer, placed second in the 50 yard freestyle at the state meet and was throughout the year a great asset to the team, swimming both freestyle and backstroke.

Indispensable in swimming the 200 yard freestyle and the relays was Dave Cronin, another first rate Senior. Stanley Gesseck who began the season as a diver turned the table by developing into a crack backstroker.

Bill Lee was a stalwart swimmer in the 200 yard freestyle, an event calling for the stamina which Bill was ever ready to produce. Bruce Erickson, slicing through the water in the 100 yard breaststroke, proved to be a capable and enthusiastic member.

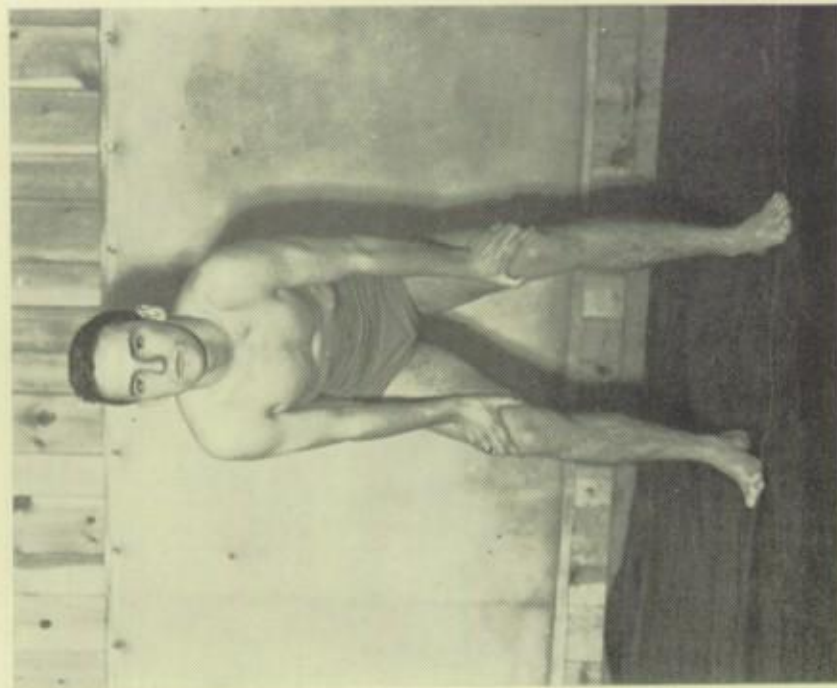

We salute Coach Sullivan and his 1954 Garnet Tankers for a record of which Naugy is justly proud.

INDIVIDUAL SWIMMING

THE GREYHOUND

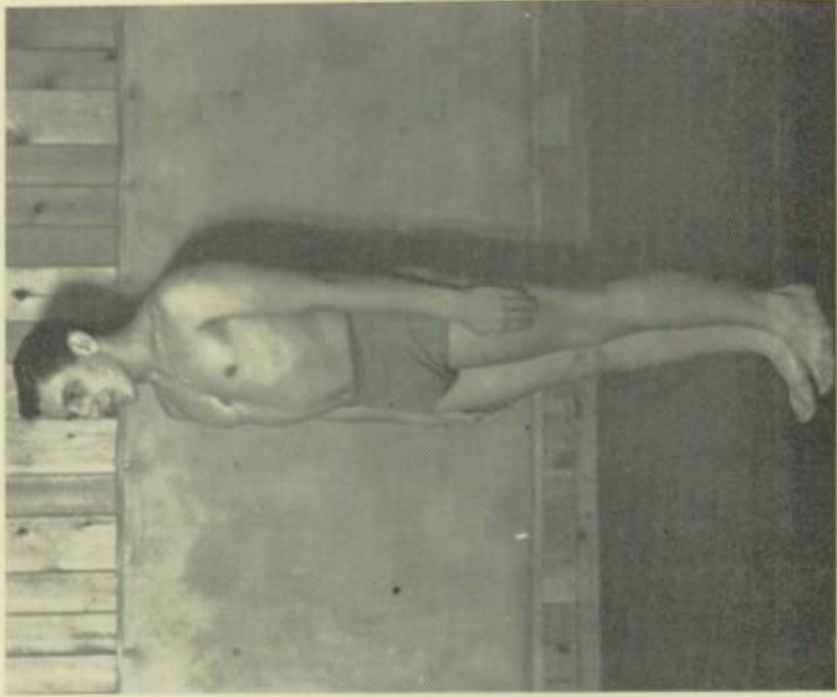

DAVE CRONIN

Throughout his high school career, Dave has been a regular on our tank team. Excelling in freestyle and in the relays, he was one of our iron men.

BRUCE ERICKSON

One of the hardest workers on the team, Bruce spent every spare minute in the water. As a four year member, he developed into an ace breaststroker.

STAN GESSECK

Stan plunged from football right into swimming, retaining that same stamina and vigor. Switching from diving to backstroke, he was one of our most valuable mermen.

THE GREYHOUND

BOB SAWICKI

At his first try out, Bob pleasantly surprised everyone in making the 40 yards in less than 22 seconds. Needless to say, he was immediately adopted as a regular and became a backbone of the team.

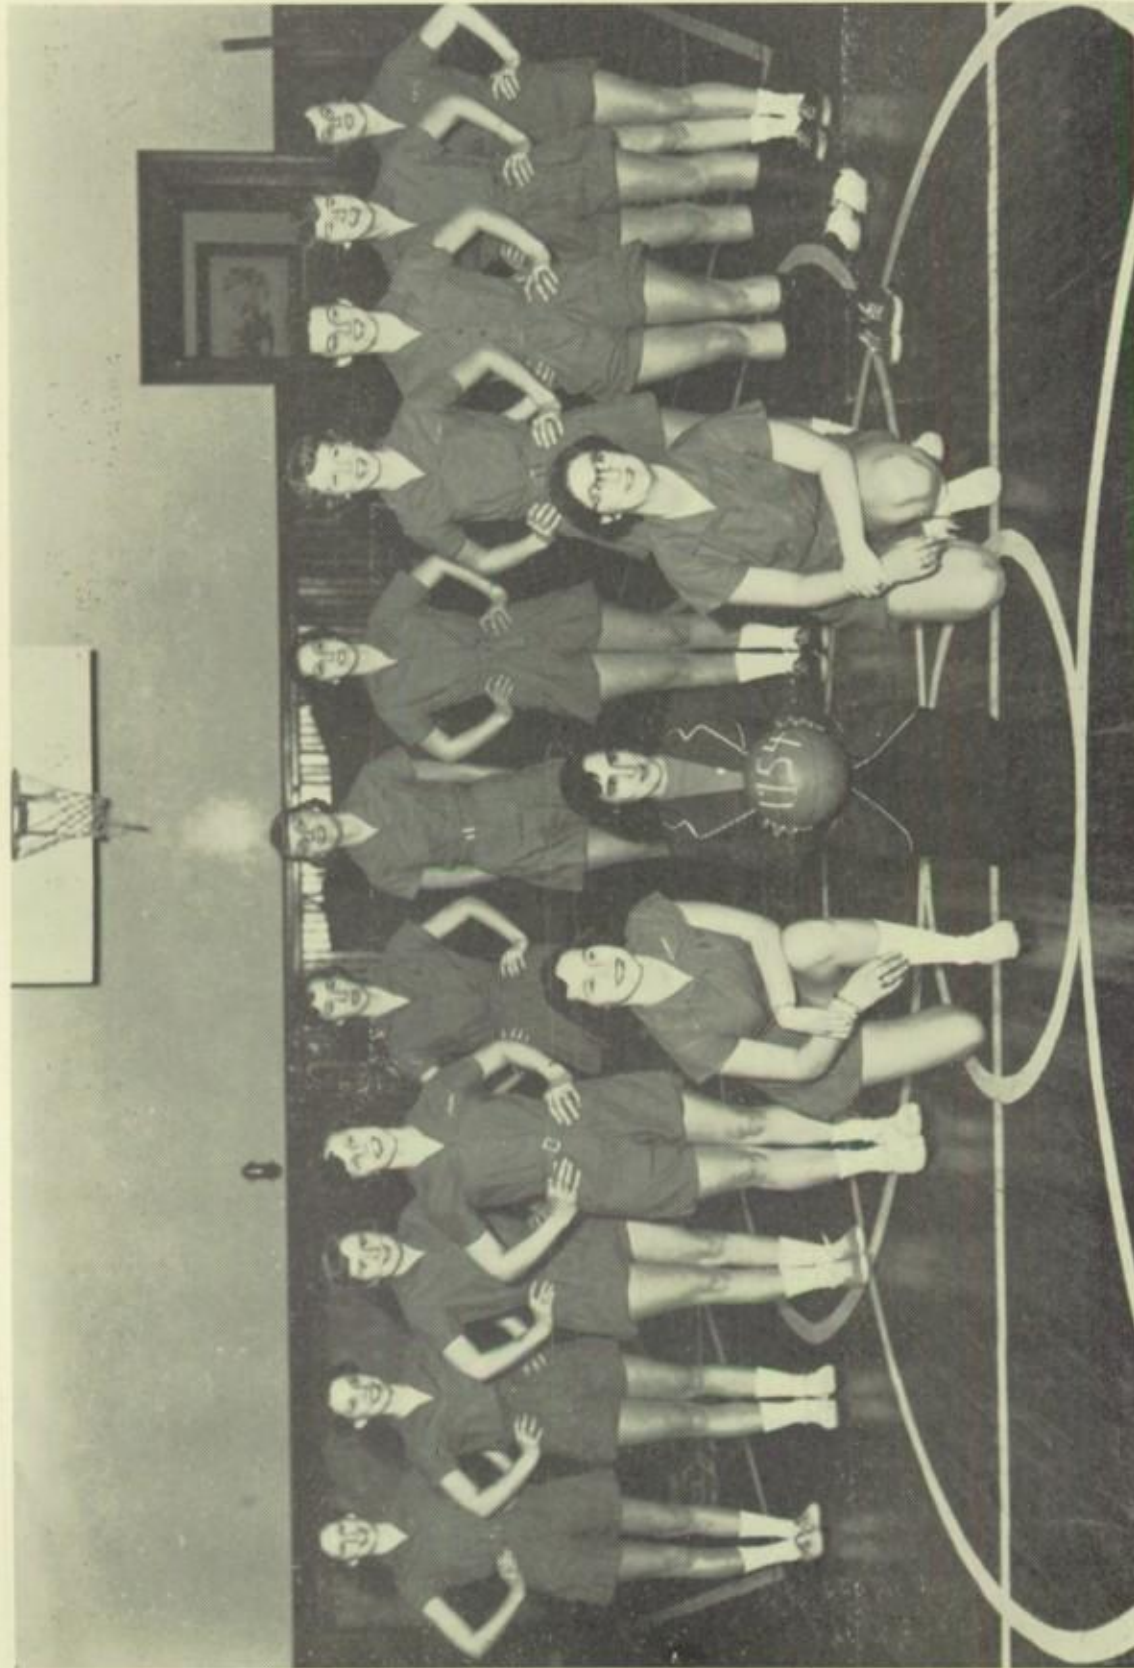

BILL LEE

Bill was another converted gridiron man, showing his superior ability in the 200 yard freestyle. A sound and sturdy swimmer, there was no fear of the enemy with Bill in the line-up.

WADE HOLLAND

Wade was a captain in every sense of the word. Indispensable in the 160 yard relay, he often provided the spirit which carried the Garnet Tankers to victory.

THE GIRLS' BASKETBALL

THE GREYHOUND

GIRLS' SPORTS

The final score 54-53! The Senior girls have won their second season in the Intramural league. Twice the sparkling Senior girls led by their able Joan Rossi, have defeated the Freshmen, Sophomores and Juniors.

During our Freshman year the Seniors were amazed to see the spirit and speed our team showed. "These girls are going to be early champions." How true these words were! Under the capable leadership of Miss Cretella, we captured the title in our Junior year.

Bound and determined to attain it again in our Senior year, we bravely faced our first opponent, the Juniors. But alas! Our spirit was somewhat dampened as we met a determined bevy of girls who were going to launch forth in an attempt to upset our determination to win the championship. For a few dim moments it seemed as though the Seniors were going to be downed. But with capable teamwork of Kathryn Kissane, Florence Phillips, Judy Foley, Joan Rossi, Phyllis Webster, Karen Carlson, and Betty Mazaika, the Seniors excelled with flying colors and the championship. The final score was 54 to 53.

As Freshmen, physical education was new and exciting. Under the competent leadership of Mrs. Daly, we grew accustomed to this strange and wonderful subject.

Our Sophomore year brought a new teacher, Miss Lynch. Many of us were introduced to tennis, badminton, and softball.

Although we were disappointed to see Miss Lynch leave, she was replaced by the capable Miss Cretella. Still more, physical education was brought into the limelight. A favorite was the modern dance. Spring board and tumbling were brought into the curriculum, additionally.

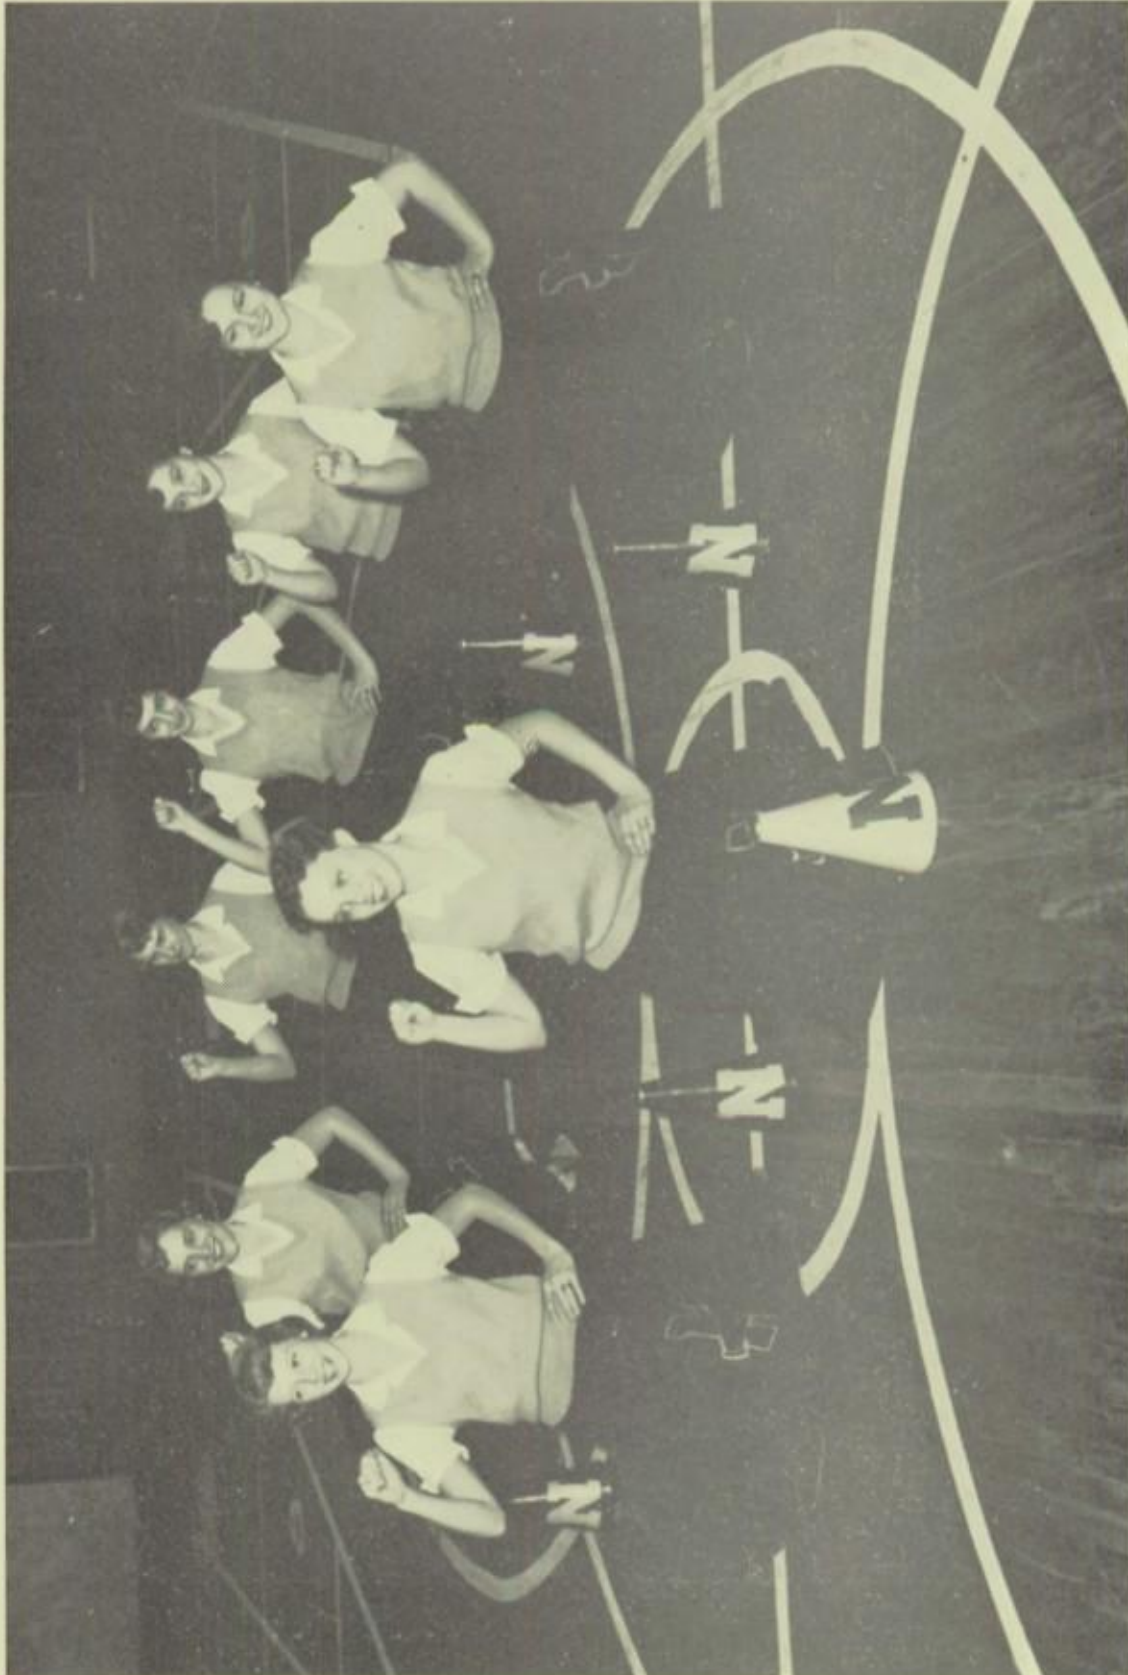

As the girls of the Senior class look back on the past four years, they will, we think, always remember their "Gym Days."

THE PROPHECY

The year—1964. The setting—somewhere in the exosphere. The place—the pressurized cabin of "The Garnet and Gray Glory", a space ship par excellence designed by JOE BIELANCS. The pilots—RUSS STABLEY and DAVE SEARS. The plot—our two pilots, weary of the monastic life in outer space, are contemplating an unprecedented action—to re-enter the earth's atmosphere and determine, via the atomic TV receiver built by LITTLE ROG ANDERSON and RICHARD MORTENSON, how their fellow classmates are faring after ten years of being "on their own."

STABLEY to SEARS: "Pressurize the cabin—we've entered the earth's atmosphere; according to the radar screen, we should be approaching the Atlantic Coast of the United States. Over."

SEARS to STABLEY: "Roger—Cabin depressurized—I've picked up Florida on the TV receiver."

These two flyers managed to see every one of their classmates. This is the report of a day's wandering.

In Florida, JUDY FOLEY'S AQUATIC SCHOOL is in progress. WADE HOLLAND, Olympic Swimming Champ, is training there for his channel swim. RALPH TRIPP'S the star third base-man for the Red Sox. Petite BARB KACKOWSKI is relaxing on Daytona Beach. She's secretary to LOU FARRAR, the Wall Street tycoon.

ARNIE'S Hotel is now the gathering-place for the elite. Mr. WAITE'S done rather well for himself. Appearing nightly there is MANNY OLIVEIRA'S band, featuring MARTY LUNDIN as vocalist. Several celebrities can be seen there frequently—among them vivacious PAT STOKES, the pantomime artist.

Farther north—CAROL GUSTAFSON'S in Kentucky, teaching in a little mission school. SENATOR ANDY KAPFER's busy in Washington. He has two attractive secretaries, FRAN MARIANO and BARBARA SMITH. His old buddy, HOWIE SCHWARTZ, has just been named Chief Justice of the Supreme Court. The coast guard is very fortunate in having ROG QUINT at the helm. FRAN SUCHENSKI is the girl who takes his dictation.

THE GREYHOUND

New York has many familiar faces.—BRUCE ERICKSON has replaced Mad-Man Murtz in the automotive business; it's rumored that he's infinitely more successful. Graceful LINDA EKLUND, heads his sales department, and he even employs his own certified public accountants—LARRY TERRA and FRANCIS MORROW. His able staff of mechanics is under the guidance of BILL MARONEY and BOB BARKER.

At Radio City is CHRIS SHEEDY'S incomparable TV show, starring radiant FRAN VIEIRA, Broadway's current favorite, and GLENDA BURTNETT, Metropolitan Opera's luminary. SALLY KOPP and CLAIRE KOZICH do the hair-styling and dress designing, respectively for all of CHRIS'S shows. Other familiar names in lights are DOT GABIANELLI and PAUL ROSA, giving a joint recital at Town Hall to an enthralled audience. PAUL has composed a concerto for piano and violin. This is his première. One of New York's newer building houses Dr. TOM BEHRMAN'S CLINIC. TOM'S making quite a name for himself in the medical world. Working with him in scientific medical research are ANG DE CARLO and her assistant, GINNY PEREIRA. BEV. HENNESSEY and BARB LYONS are his secretaries, LENORE KLOC and JOAN RUSSET his head nurses, and peppy PHYLLIS WEBSTER and FLUFFY PHILLIPS, his physical therapists.

There was a search for other Naugy grads in New York—EILEEN FITZGERALD was discovered as editor-in-chief of the Journal; PAT THIBODEAU is photography editor. JACK ST. JOHN, the advertising manager of Mademoiselle, has a great line surrounded by beautiful women—like JUNE LE VASSEUR and PAT BRADSHAW, top fashion models. . . .

FATHER BOB BERGIN says Mass daily at St. Patrick's Cathedral. The Cathedral was recently rebuilt by RICH BONCAL, assisted by MORT SWAN, his chief electrician. The Brooklyn Bridge has been replaced by a new, giant super structure with LENNY PETERSON and RUSS JOHNSON, the engineers. BILL BOYD engineered the highway approaching it. Speaking of Brooklyn, BILL CAULFIELD has bought the Dodgers. His rich uncle died and left him a fortune. Opposing his team almost yearly in the World Series are two Yankees—KEV DALY and DICK TUCKEY.

In Naugatuck our co-pilots found many old friends. The new high school is well populated with alumni, KATE KISSANE is the principal; MARCIA MERTEL-MEYER heads the Math department. KATE'S secretary is IRENE GESEK. STEVE MARTIN returned from Purdue to coach football at his Alma Mater. The French students, especially the boys, are eager to come to class now that KAREN HAMPEL has taken over in that department. CONNIE SANTARSIERE is head librarian—and JACKIE ARDRY can be seen doling out an assignment in business procedures. As

BETTY MAZAIKA'S the new Physical Ed teacher, the old gang is almost all together again. (I wonder if they still have pajama parties?) KAREN CARLSON is teaching dramatics. She got her start in Room 23—ten years ago. SHIRLEY GABRIELSKI is secretary to JACK WHITE, superintendent of schools.

COMMANDER JACK HUTT and LIEUTENANT RAY SOBIRESKI are home on leave from the U. S. Navy. Presiding behind the desk in the Mayor's office of the city hall is genial ROG BRENNAN, puffing a fat cigar and dictating to ANNE TOLLE, his secretary. His campaign manager in the recent election was DAN ZU-

BANCH, the man behind the scenes in local politics. A few paces down on Church Street is energetic DAN LAMBRIDES, editor of the Daily News. Across the street is HENNESSEY'S HABERDASHERY. GERRY attracts his customers with his ever-winning smile. His head buyer, MARY HORAN, keeps the ladies coming with her swank selections. JIM GIBBONS, manager of the A and P, has made the Naugatuck store one of the best in the chain. BEN KERSKI assists him behind the meat counter, wielding his cleaver with a mighty hand. On the other end of Church Street, DOUG OLSON of the Savings Bank is locking the vault prior to leaving for a round of golf. He'd be lost without red-headed PAT SWICK to keep those accounts straight.

JACK LENNERS has just taken a new partner in his service station. Who else but JIMMY BEST! JIMMY KEAN is head mechanic in this growing concern. The housewives of Naugatuck have no worries now that EDDY POGORZELSKI is creating such delicacies in his ultra-modern bakery. . . .

The offices of the U. S. Rubber Company are being graced by the presence of ELLEN PASSECK and MARY TUMMARELLO—two busy, efficient secretaries. Their cohorts GINNY HENRICHS and ELLEN BUTWELL are just returning from lunch. They really enjoy working for their boss, SCOTTY ANDREWS. JAN STANKIEWICZ is his new secretary. LEE GREISBACH is in lights on Broadway. Her latest triumph—Medea! St. Mary's Hospital in Waterbury is fairly bursting at the seams with Naugatuck personnel. Cheery JOAN ROSSI keeps the children from being homesick with the diverting way she treats them. The male patients are soon up and around with diminutive ANN LAFO as their nurse. A group of probationers are sinking hypodermic needles into oranges. MARY ANN NOLAN, their instructor, is showing them the technique. SYLVIA OBST and JANE CHRISTIE, as attractive as ever, are efficiently training student nurses. LOIS HAMM is student secretary.

WARREN MERCER is St. Mary's newest intern. The Waterbury Hospital has its share of enthusiastic alumnae too. ROSLYN KOSAKOSKI gives a friendly greeting to new arrivals from behind her receptionist's desk. Just coming down from OR

THE GREYHOUND

is LORRAINE BRAUN, keeping a careful eye on her patient. SHIRLEY FULLER looks very modern, showing a proud papa his new little boy. Head nurse NANCY LUBANDA keeps the whole system functioning, as it should.

At bit farther north—at Brainard Field in Hartford, BILL BARANAUSKAS is seen giving the engine of T W A's newest airliner a final check! The pilot is discovered to be DON BAKER, with his stewardesses, LOIS FOX and SHIRLEY GOGGIN.

MIKE SHARON is being checked in by BARB BENZ, another attractive stewardess. MIKE, state police commissioner, is headed for Washington. MARILYN ORIS, his private secretary, is going along to take notes on the proceedings. CORINA BERGANZA is returning to her native Guatamala. In Hartford, G. Fox's windows are sparkling with an array of the very latest in clothes for the debutante. They're the work of CAROLE JOY, top fashion consultant. And Fox's has been attracting twice the usual number of customers since JEAN SABIO'S been drawing their ads. Over in the sporting department CHARLIE VEST is trying to interest ARLENE SPUROSKY and JOAN COWAN in some skiis for their Florida vacation, water skiis! ARLENE and JOAN are working in the capitol as assistants to TONY RUSATE, head of the Bureau of Internal Revenue. Right next door, LORRAINE RAUCCI is typing a letter dictated by her boss, His Excellency the Governor.

It's been rumored that big ROG ANDERSEN is working on his third million in the Texas oilfields. Naturally, no town would be complete without a glimpse of him—so our two pilots headed west. On the way, in Indianapolis, TED KACKOWSKI, king of the speedway, was seen trying to better the world's record which he set last year. Waiting in the pit is BOB CARON, his speedy mechanic. Chicago—Navy men BOB SAWICKI, EARLY DOUTY and DAVE CRONIN are seeing the sights of the Windy City. They're on their fourteen day re-enlistment leave. The Waves—represented by MARGARET THRALL and MARY GRABOWSKI—are on their way to recruit for the Navy via EARL PHILLIP'S radio broadcast. This commentator interviewed NANCY MACDONALD last week. She thrilled the audience with tales of death-defying motorcycle stunts. JANE NOLAN and JOAN KLEIVA find there's never a dull moment working there.

THE GREYHOUND

TONY WROBEL is with ROG in Texas. The life of a bachelor appeals to TONY. Head of productions for their oil company is FRED PETERSON, whose efficiency accounts for half of TONY'S millions! Commanding Fort Bliss in El Paso is JIM HUTT. DON SUNBURY is another "wheel" down there.

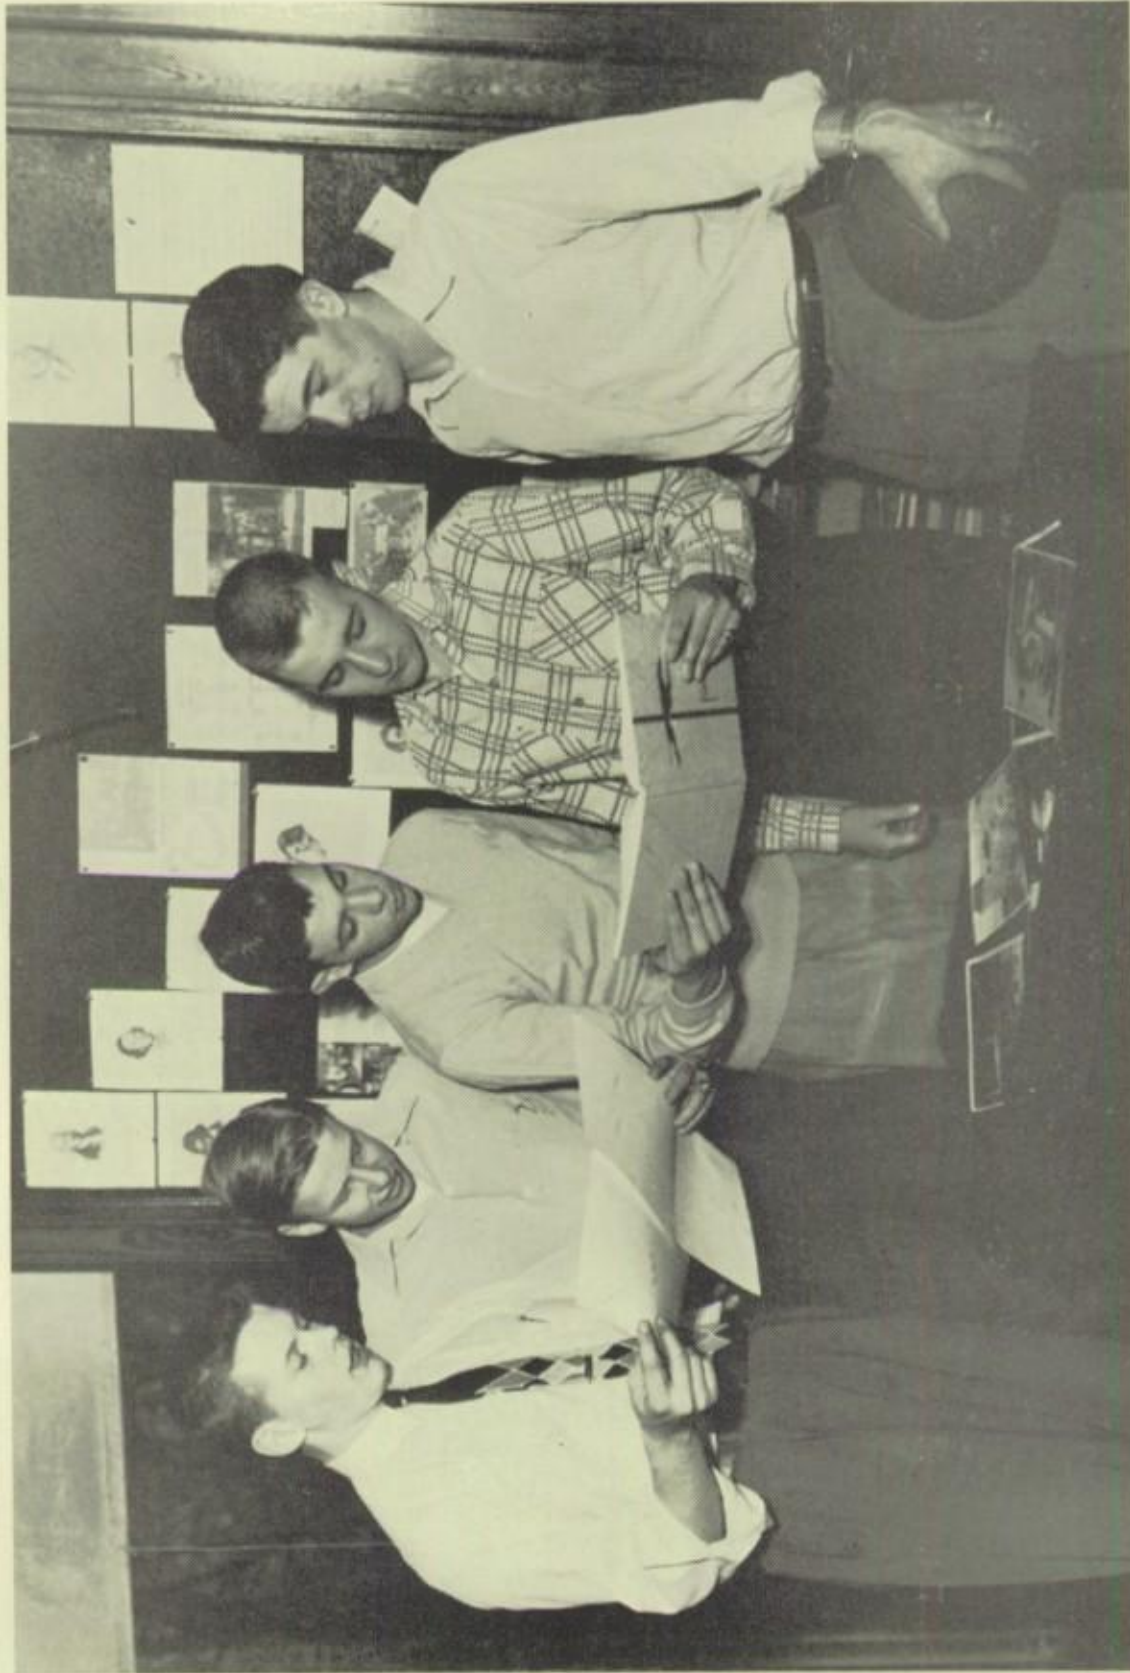

The class of 1954 is famous even in Hollywood. FRAN REBELLO'S the feature attraction at MGM these days. In private life this beauty is married and sends her little girl to SHIRLEY JOHNSON'S Day School. CATHERINE LOKITES and JOAN HOTCHKISS are her able assistants. They have their hands full explaining to Hollywood children why the three R's are as important as movies. FLORENCE KLIMOWICZ, RKO's head receptionist, lunches daily with MARY LOU PHILLIPS who provided the technical information for RKO's documentary film on Physical Therapy. TWIRP PRESTO answers the flashing lights of the Studio's switchboard. She's known as the girl with the smiling voice. Soft-spoken DON GAVIN has developed into quite a director. All of the studios are clamoring for him. He refuses to work without his gifted assistants, JOAN OWENS and LORRAINE PECK.

The next stop in Alaska—finds LEROY MORINE working for the government as an engineer. He is discussing plans for a new hydro-electric dam with DON TRIANO, whom the U. S. Army placed in charge of the project. GENEVIEVE MARCISZ, who campaigned so vigorously for Alaskan statehood has been named its first Secretary of State. JUNE HOTCHKISS and MURIEL GREENE deciding against a Southern vacation are spending their two weeks in Alaska. Johns Hopkins must be lost without them. They've been tobogganing with BOB SORTINO and STAN GESSECK, who have been sent to this newest state by Uncle Sam's Army. The GAGNON EXPORT COMPANY is doing a thriving business up here. JOEL employs MARY JANE LINEWEBER and JOANNE BEHLMAN as his secretaries.

On the last stop we saw Paris. SANDRA LAVALLEE and JOAN MURPHY, two Navy nurses, are taking life easy while their ship is in dry dock for repairs. MARY LOU LINSKEY and MURIEL ANDERSON are doing statistical research on economic conditions in France for UNESCO. BILL LEE is touring Europe—having inherited his family's fortune. His private secretary HERB JENSEN, always travels with him.

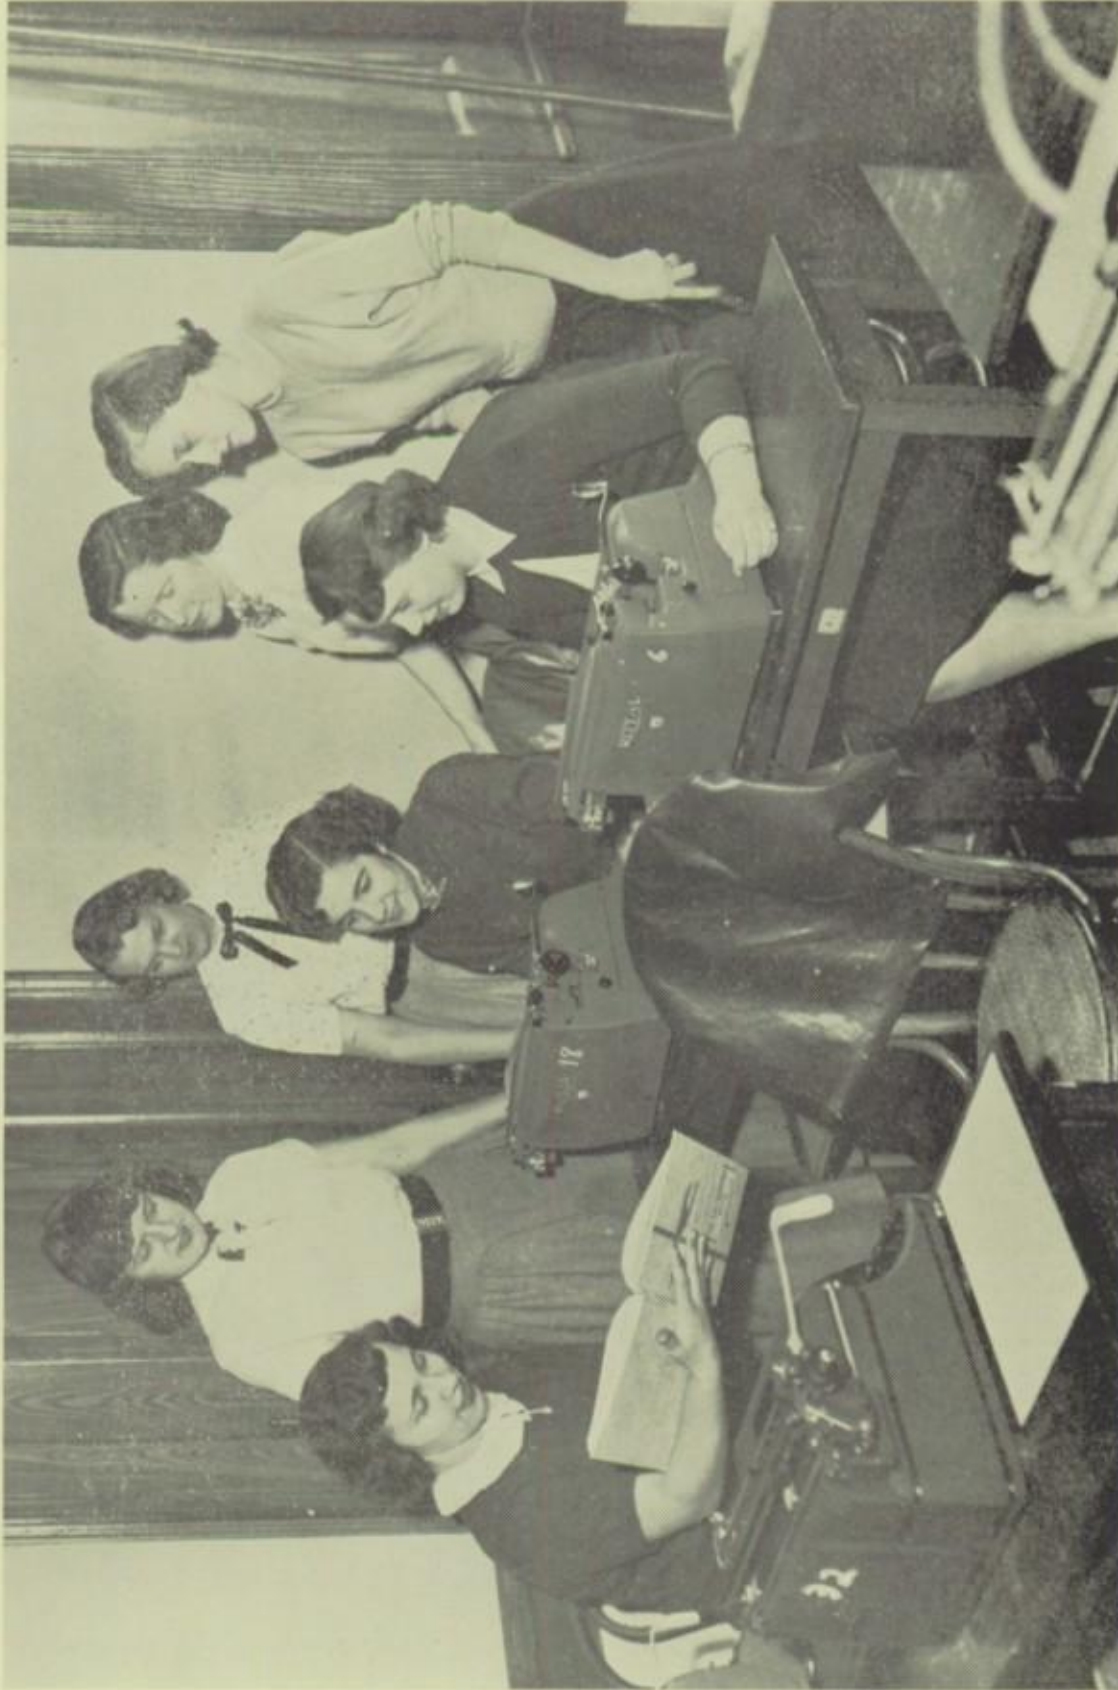

At this point, having seen every one of their classmates, and being thoroughly satisfied with their day, the two pilots re-entered the exosphere to spent another 10 years of loneliness,—loneliness enriched with memories.

MUSIC

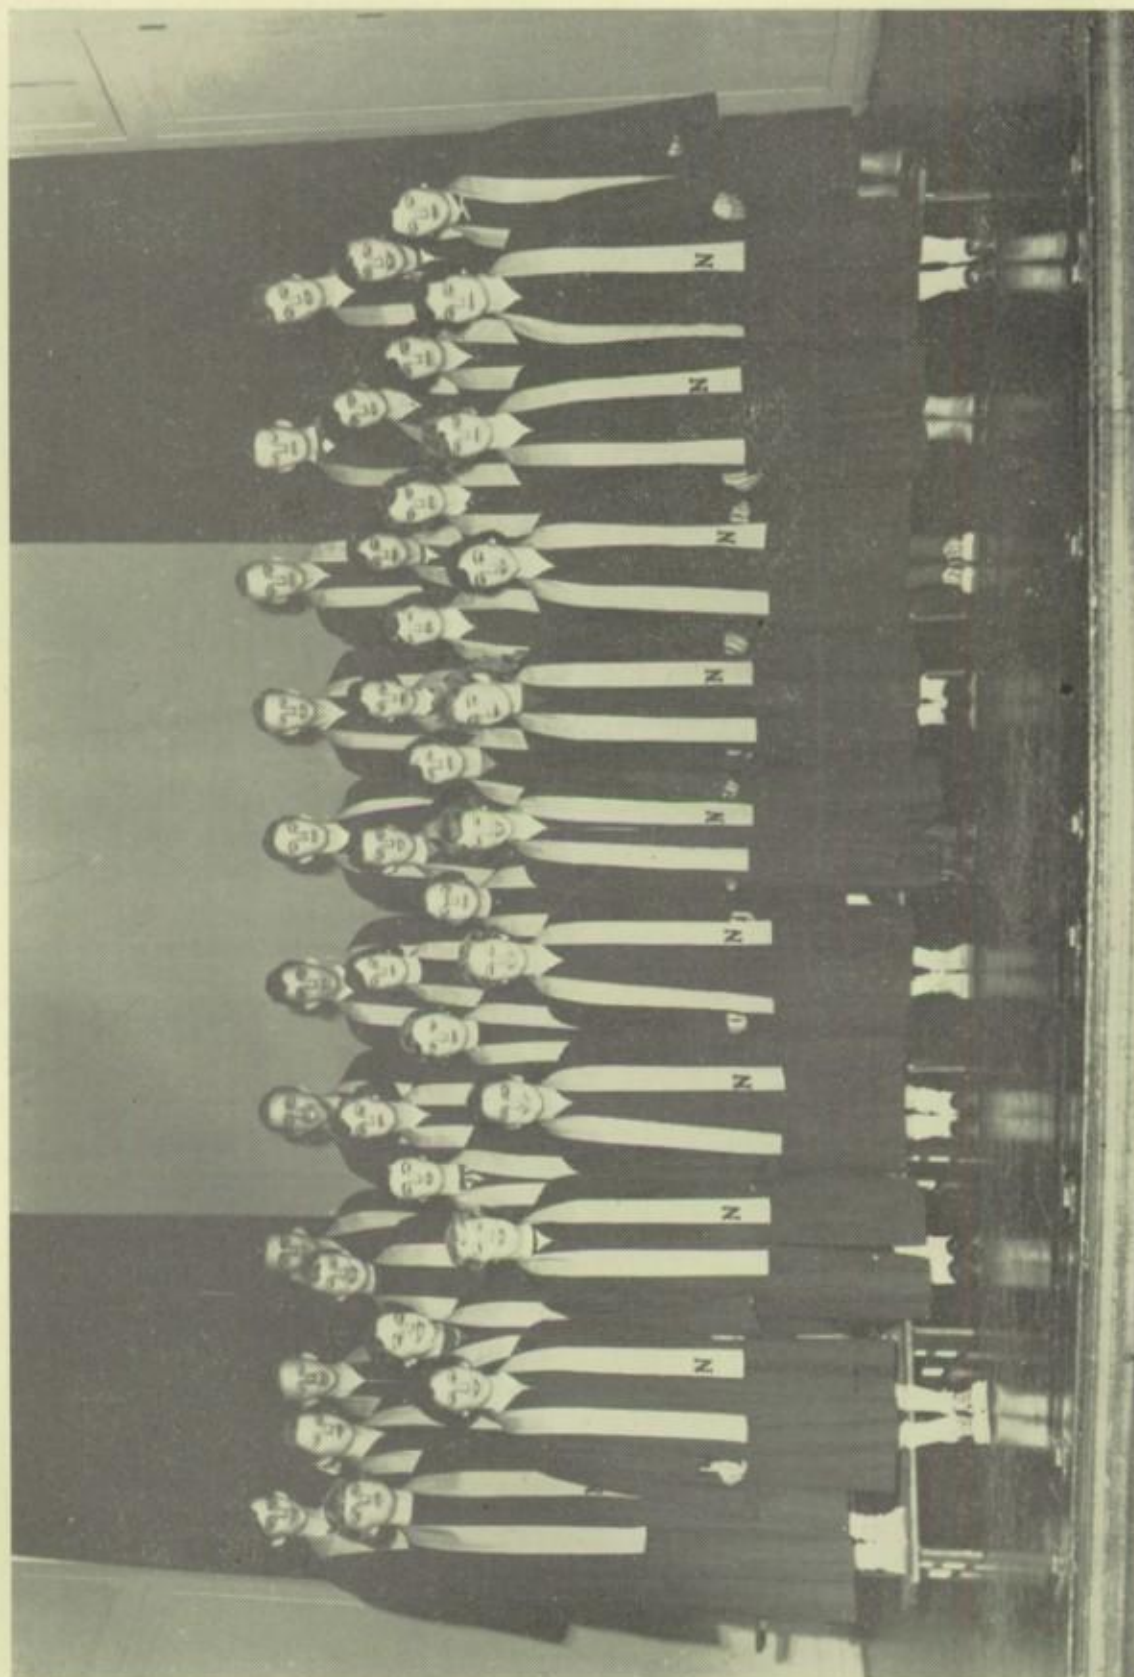

Without a song the day would never end, and so with this thought the school year of 1953-54 opened. As we look back to the Fall, we see the band under the direction of Mr. Ruggiero, lead the fans and the team on to a fine football season. The band was small, but what they lacked in size, they made up in volume.

The choir at this stage was in busy preparation for the annual Christmas concert called "A Song of Christmas". This cantata was presented with ease, following only long hours of rehearsing. Three soloists were heard during the seventeen minute song. They were Martha Lundin, Glenda Burtnett, and Chris Sheedy. Roger Anderson was the narrator.

With the coming of the new year, the spring music program was posted. First of these four programs was the Gilbert and Sullivan operetta, "The Mikado." The list was completed by the spring concert, the trip to the Metropolitan Opera House in New York to see "La Boheme," and our annual talent revue with Manny Oliveira as master of ceremonies. Each production was specialized by the trademark of professionals, not that of amateurs. The senior girls' sextet was one of the many shining lights. They appeared on television several times and highlighted their careers at N.H.S. at the spring concert. Members were Pat Bradshaw, Martha Lundin, Carol Joy, Dorothy Gabianelli, Glenda Burtnett and Lois Fox.

Throughout our high school years, the complete music program has been among the finest in Naugy's history. It provided the light, gay side of our education.

DRAMATICS

Seven classes strong we met in the Dramatics Room in late September. We made history early in our career with the four segregated aggregations.

We were scared—some of us. Why not? More than a few of us found that our hearts could beat like a trip hammer. And when we were called upon to emote, we wished we were hundreds of miles away. Such clammy hands! What big eyes our classmates had! Stage fright!

However we forced ourselves to look confident. With the Bard of Avon we assumed a virtue—if we had it not. Had we not said "a-a-a-h" at home for ten minutes daily during the past week? Had we not breathed—quite properly—as we had been directed? And such facial expressions as we had forced ourselves to present!

But when the bell sounded the anticipated end of the period on that first day, we breathed naturally again and—regretfully. Our first step at self conquest had been taken and for the most part successfully. For in each class two winning seniors were voted into Golden Lane.

With the arrival of the second week, a certain assurance was ours. We conquered Anger, Hatred, Sarcasm, Egotism, Indignation. Our greatest milestone was reached as 160 odd seniors leaped into the air—individually of course—as we personified Joy, to the accompaniment of the words of "A Touchdown, A Touchdown" which echoed and re-echoed into the far reaches of the third floor corridor. With this agile act, all of our past fears seemed to have evaporated—we were masters of the spoken word!

In Spartacus to the Gladiators, we rounded out our primal training.

Into the realm of poetry we sailed during the next week, learning the value of the dramatic pause in saving our rendition from a mundane, sing song effect.

Ere we were aware, Christmas loomed on the horizon with the promise of skits. What a magic word! But problems arose. With two classes of damsels with nary a lad enrolled who would be Santa Claus? We solved that nicely—at least we girls did. The distaff side needed no masculine aid. With the help of a few pillows added to

THE GREYHOUND

Santy's costume, we produced two of the jolliest, roly-poly Santas that anyone ever gazed upon. For proof, ask Fran Rebello to show you her set of colored snapshots. Girl Santas can be captivating.

We saw the gamut of emotions garbed in gay, holiday costumes. Angels, animated stars, cherubim, seraphim, carollers, the pig tail set, mommies, daddies, brash brats and reindeer passed in a Yuletide panorama. And every class recaptured the rapturous moments of childhood when we sat in a circle on the floor, as Miss Grainger read to us in hushed tones: "The Night Before Christmas."

Following Yuletide and with the arrival of 1954, we met the long awaited tryout for Class Book skits. What a wealth of entertainment was ours. Fifteen were selected. The fortunate Thespians included versatile Roge Brennan and his troupe of saucy third "graders", wherein pert Martha Lundin tripped capricious Judy Foley, as roguish Lou Farrar blew a pink bubble gum monstrosity, to more huge proportions than were ever seen outside the comics. Prexy Kev Daly presented his troupe in a spirited production, cleverly executed, in collaboration with Tom Behrman; Karen Carlson, the Queen of the Cheer Leaders; agile Fran Mariano and diminutive Ann Lafo. Fran Vieira who proved herself an Emcee of A+ rank, at Christmas time, went on to garner new honors as a tragedienne. Veep Chris Sheedy brought Alice in Wonderland to life with the able assistance of clever Pat Stokes, Jack White and petite Lenore Kloc.

Space Ships were in evidence as Fran Suchenski and Arline Spurosky with the aid of their mothers' colanders took us on aerial adventure. But the highlight was reached when our class Venus, June LeVasseur, led her troupe in presenting the Hicksville Variety Show of ancient vintage, with costumes retrieved for the occasion from the family trunks in dusty attics. And the classics were not overlooked by vivacious Lee Griesback in her stunning Cleopatra costume.

Skits were temporarily placed in abeyance as Microphone Technique was the order of the day, allowing us to write our own scripts. Our enunciation improved.

And now as the Greyhound goes to press we are looking forward to tryouts for Class Day. We are ransacking radio, TV, magazines and our own somewhat limited creative powers for ideas. May Lady Luck smile upon us.

Dramatics? Traditionally dear to every Senior we heartily endorse it. Our one regret is that we were limited to one weekly class!

Once again we of The Greyhound are indebted to our friends. Chief among them we thank most heartily our advertisers—one and all. But especially our gratitude is conveyed to our sponsors who gave us full page ads.

To our printer, Mr. Nolan of Perry Press, our class photographer, Mr. Thibodeau, and the Valley Engraving Co. our appreciation.

And though somewhat unconventional, we should like to mention at this time the record breaking Alumni Drive of 1954, in which *we* collected \$527.40. Most outstanding is the fact that every member of The Senior Class helped to collect this sum, a 100% contribution therefore, of which we are a whit proud!
